# What people say about us

Dean Carter (Father of the Bride)

The whole experience was truly wonderful from the moment of arrival to the moment we left. The Château itself is very impressive both inside and out. As Father of the bride, I can honestly say it was the most perfect 3 days for my daughter and her new husband and our guests.

Chloe & Josh (Bride & Groom)

To anyone reading this, please book your wedding here. You will not be disappointed. From the minute we arrived my expectations were exceeded. The service and level of dedication this family have to make your wedding beautiful knows no bounds.

Lewis Reeves (Brother of the Bride)

Words can't describe how beautiful this place is, If you're thinking of booking your wedding here then stop thinking and get it booked. You won't regret it, like something from a Disney movie in every shape and form.

Gabrielle & Danny (Bride & Groom)

The Chateau is beautiful but the big and little touches do make all the difference. We stayed for 3 nights and our entire party was looked after for the whole duration. Our guests kept commenting how lovely their rooms were and how nice the chateau and owners were.
